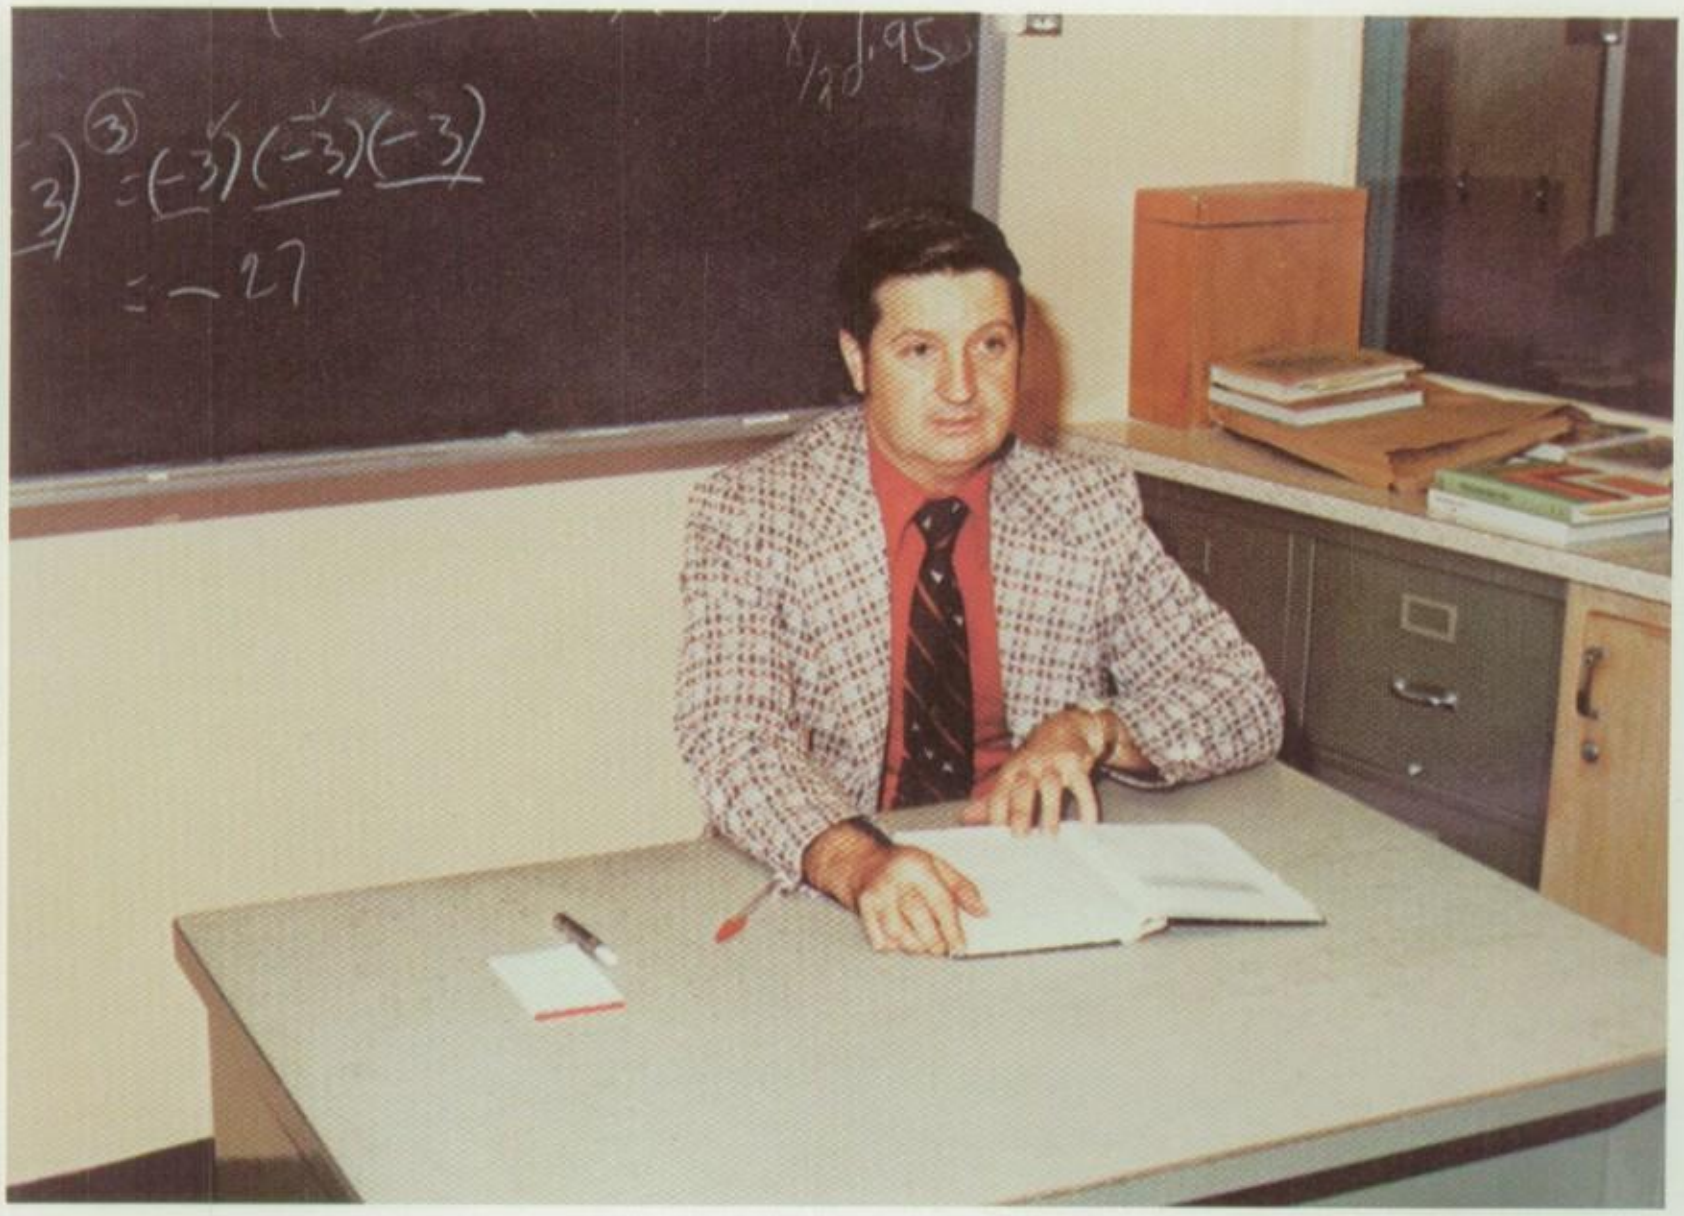
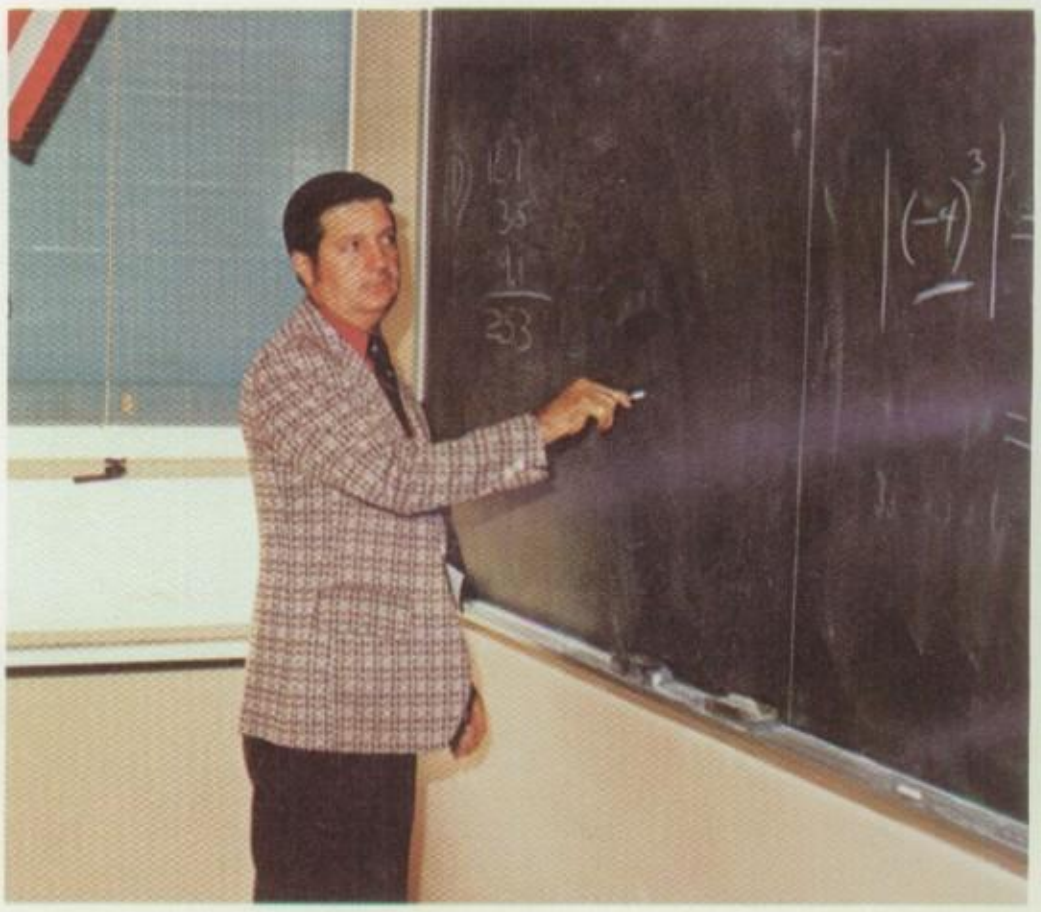
Dedication



Mr. Royce Sprague

We, the senior class of 1980, would like to dedicate our yearbook to Mr. Royce Sprague. He has always been willing to help the students with their school work making sure they understand. Mr. Sprague, we greatly appreciate the help and understanding you have given us through our high school years. We will always remember you and miss you but think of you often when we see an equation like $(2x + 3)(x + 5)$.



I am not a teacher: only a fellow-traveller of whom you asked the way. I pointed ahead — ahead of myself as well as of you.

Where's my band???

The yearbook staff would like to express its sincere appreciation to all those who helped in the publication of the 1980 Dawn. A special thanks goes to Mrs. Starr and Miss Clouse for all their time and help; to the sales staff for selling the largest number of books ever; to Bud Grieneisen, our yearbook photographer, for being here, there, and everywhere; and to Bernie Magirl, the Walsworth Representative, for his help with all the "little" problems. A special thanks to Doug Brown for the cover picture.

I stand amid the roar
Of a surf-tormented shore,
And I hold within my hand
Grains of the golden sand—
How few! yet how they creep
Through my fingers to the deep,
While I weep—while I weep!
O God! can I not grasp
Them with a tighter clasp?
O God! can I not save
One from the pitiless wave?
Is all that we see or seem
But a dream within a dream?
